

REMEMBER NOVEMBER

BIRTHDAY PLAN

District 73 is sharing with their Groups the opportunity to jointly support this special gratitude contribution for the General Service Office.

WHAT IS IT?

The Birthday Plan is an annual support of our First (unity) and Seventh (self-support) Traditions.

WHY NOVEMBER?

November commemorates the 1934 meeting between Bill W. and Ebby T.

HOW IT WORKS?

The District 73 groups are requested to approach their members with this plan. Each member of the fellowship is being asked to contribute \$1 (or more or less) for each year of sobriety. A special collection can be taken, either once or over several weeks to give everyone a chance to participate. The accumulated funds are marked as a "Birthday Plan" gratitude contribution.

The donation is then sent by the group to the General Service Office.

As always, this is not mandatory in any way — just suggested...like our program:

> If you wish to contribute less than \$1, please do so in the spirit of "unity".

> If you wish to contribute more than \$1, please do so in the spirit of "self-support".

PLEASE use the form below and clearly mark "BIRTHDAY PLAN" on your check.

Make the check payable to "General Service Board".
